Premium Jersey

Guide

1 Chest Circumference

With your arms relaxed at your sides, measure around the fullest part of your chest.

Tour de poitrine Les bras détendus le long du corps, mesurez le contour de la partie la plus large de la poitrine.

2 Natural Waist

Measure just below the bottom of your rib cage, around the soft part of your waist where your torso can bend freely.

Taille naturelle Mesurez juste sous la cage thoracique, autour de la partie souple de la taille, là où le torso peut se plier librement.

Guide

1 Hip Circumference Seat

Ensure you are wearing light clothing and your pockets are empty. Place your feet hip width apart, measure around the fullest part of your glutes.

Tour de hanches (assis) Assurez-vous de porter des vêtements légers et que vos poches soient vides. Placez vos pieds à la largeur des hanches et mesurez le contour de la partie la plus large des fessiers.

2 Natural Waist

Standing relaxed, measure around the fullest part of your thigh (check both legs).

Tour de cuisse Debout et détendu, mesurez le contour de la partie la plus large de la cuisse (vérifiez les deux jambes).
